3331 Arts Chiyoda Pre-opening Presentation Showcase

The former Rensei Junior High School is going to be reborn into 3331 Arts Chiyoda, a large-scale arts centre founded on the basis of artist leadership, privatization and cross-discipline.

Various groups and organisations, including universities and galleries, are going to open their offices at 3331 Arts Chiyoda. They all are enthusiastic about talking with you about their unique and original activity plans at this event. There will also be presentations by artists who are going to take part in the grand opening events. This event will be a great opportunity to really feel the dynamic power of 3331 Arts Chiyoda which will be generating crossover artistic activities. Please come and join us!
